Cynthia – I found this in my files. If I recall correctly, there may be an actual “video” based on the 2nd PPt slide but I haven’t found it in my files yet.

Hi, Dan.

When you have a chance, could you send me the 3-D map of the mines in the Upper Animas that we talked about last week? (I think you said you had it?) If the file is too large to send, could you send me a link? It is pretty interesting, and I’d like to get it on our webpage.

Thanks!
